Sample e-mail with password details shown below:

5. Now click on User Login.

The screenshot shows the homepage of the Department of Town & Country Planning, Government of Haryana. The navigation bar includes links for Home, About Us, RTI, Function & Policies, Contact Us, Suggestion Box, and Search Q. The main content area features a map of Haryana titled 'CONTROLLED AREAS - HARYANA' with various districts labeled. To the left of the map are three vertical panels: 'Statutory Docs Download', 'Data Download', and 'Ease of Doing Business: Docs'. To the right is an 'e-Governance' section with a red box around the 'User Login' link. Below the map is a 'Click to enlarge' button. At the bottom, there is a grid of service links including Document Checklist, RERA, GMDA, Building Code-2017, Download Forms, Fees & Charges, Act/Rules, and Employee Corner.

6. User has to login with email id and default password. Refer screen below:

The screenshot shows the 'Single Sign On' login page. It features a header with the Department of Town & Country Planning logo and name. The main form includes a 'Sign in to your account' section with an email input field containing 'dev.jayit.tcp@gmail.com', a password input field, and a CAPTCHA image with the text 'SKMZ'. Below the CAPTCHA is a 'Refresh' button and another input field containing 'skmz'. A green 'Login' button with a right-pointing arrow is highlighted with a red box. At the bottom, there are links for 'Forgot Password' and 'Register Now', along with a note about DFS users. The footer contains development and maintenance information.

Please Note: On first login, user is required to reset the password.

8. A dashboard will open as shown below:

9. On the left-hand panel select the desired service as shown above.

10. Now fill the details in <desired service> application form and submit the application.

11. In case the service is related to any enterprise, you will be redirected to "HEPC portal" (investharyana.in) where you have to enter some common details in "Common Application Form".
