HARYANA GOVERNMENT
TOWN AND COUNTRY PLANNING DEPARTMENT
NOTIFICATION

The 25th July, 2012

No. CCP(NCR)/DDP-2031/GGN-SHN/2012/2350.- In exercise of the powers conferred by sub-section (4) of section 5 of the Punjab Scheduled Roads and Controlled Areas Restriction of Unregulated Development Act, 1963 (Act 41 of 1963), and in supersession of Haryana Government, Town and Country Planning Department notification No. CCP(NCR)/DDP(SHN/GGN)/2008/699 dated the 7th March, 2008, the Governor of Haryana hereby publishes the draft development plan 2031 A.D. for Sohna along with restrictions and conditions as given in Annexure-A and B proposed to be made applicable to the controlled areas specified in Annexure-'B'.

Notice is hereby given that the draft development plan shall be taken into consideration by the Government on or after the expiry of a period of thirty days from the date of publication of this notification in the Official Gazette together with objections or suggestions, if any, which may be received by the Director, Town and Country Planning Department, Haryana, Aayojna Bhawan, Sector-18, Chandigarh from any person in writing in respect of this Draft Development Plan-2031 AD before the expiry of the period so specified.

Drawings

ANNEXURE-A
EXPLANATORY NOTE ON THE DRAFT DEVELOPMENT PLAN 2031 A.D. FOR THE CONTROLLED AREAS OF SOHNA

INTRODUCTION:
In the backdrop of picturesque Aravali Ranges on its West, Sohna is an important old town. As viewed from the top of the hills, where a tourist/ recreational complex has been developed by the Haryana Tourism, the town amalgamated with its green rural background presents a fascinating scenic beauty. The town is also famous for being blessed with boiling hot sulphur spring in the heart of the town with a temple complex around it. Because of their faith and belief, people having skin diseases visit this town to have a holy and clinical dip in the Kund having spring water to get rid of their diseases.

Provision and maintenance of civic amenity in the town are being done by Municipal Committee. It is a tehsil of Gurgaon District. The town is providing shopping, educational, medical and mandi facilities to the surrounding rural areas.

Location and Linkages:
Sohna town is situated at 24th km stone on Gurgaon-Sohna-Alwar road and is an important junction at Palwal-Sohna-Rewari (N.H.-71) road. Other important cities/towns in the region around Sohna are Delhi, (56 km.) Gurgaon (24 km.), Faridabad (35 km), Palwal (30 km), Nuh (20 km) and Rewari (45 km). The town is very well served by frequent bus services from all sides. The Kundli-Manesar-Palwal (KMP) Expressway which is under construction is passing by the southern side of the town. This is a major artery in western side of Delhi in the NCR portion of Haryana connecting Kundli to Palwal via Manesar. Two clover-leaf junctions are being developed on the KMP Expressway that will enhance accessibility of this region substantially. A 50 m wide strip of land has been reserved for Orbital Rail Corridor along KMP Expressway towards Delhi side. The Dedicated Freight Corridor (DFC) linking Delhi to Mumbai, is also passing by the south- eastern side of the town. The land for DFC has already acquired. Thus the Sohna Town is having high potential for development.

Population Projection of Sohna Town:

The population of Sohna town in 2011 AD including the population of villages falling in urbanisable limit is 67,785 persons approximately and for the decade 2011-2021 the projected population is assumed to be 2,08,777 persons. Further it is envisaged that upto 2031 A.D. the population would be 6,40,000 persons. This exorbitant growth rate is expected to be induced by the following factors:

1. Kundli- Manesar-Palwal (KMP) Expressway passing by the southern side of Sohna Town.
2. Dedicated Freight Corridor (DFC) passing by the south-eastern side of Sohna Town.
3. Haryana State Industrial & Infrastructure Development Corporation (HSIIDC) has already acquired approximately 1500 acres land for development of an Industrial Model Township (IMT) between Sohna Town and KMP Expressway.
4. HSIIDC is further demanding additional 1500 acres for expansion of IMT.

PROPOSALS:

Due to topographical conditions of the area around Sohna, the suitable land for the urban development lies in the north-east, east and south-east of existing Sohna town. The main Sohna town is surrounded by Aravali ranges from three sides. In the north-west side three bundhs are existing that protect the town from the run-off coming in the rainy season from western and north-western Aravali ranges. This run-off and run-off coming from north-eastern Aravali ranges flows through Nallah, namely Mehandwara Nadi upto Indri lake. In the south-west side of the town, there is forest land and low lying flood prone area.

Sohna Town is surrounded by Aravali Ranges on eastern & western side, in the rainy season run-off from these ranges passes through proposed urbanization through barsati Nallahs namely Mehandwara Nadi. Three bundhs namely Sohna bundh, Mohmmadpur bundh and Ghamroj bundh exist on the western side of the town to check the run-off for recharging the underground water table. All the three existing bundhs and alignment of both these Nallahs have been retained as such in the Development Plan.

The Draft Development Plan Sohna 2031AD has been prepared for a population of 6,40,000 persons. The existing population of Sohna Town and villages falling under proposed urbanization is 67785 persons i.e. 174 persons per hectare (PPH) or 70 PPA. It is expected that due to induced rapid and planned urban development the spill-over effect will take place and existing population of Sohna Town and urban villages will be reduced. However, this fact have not been taken into account while making planning proposals. The additional 1719 hectares residential area proposed in the development plan would cater to the residential demand of 5.72 lakhs person. The proposed gross density of Sohna Town is 90 PPH and for optimum utilization of land as resource, the density proposed for new residential area is 300 PPH. The extent of various land uses in this development plan are as under:-

<table>

The proposals exclude the 391.00 hectares of the existing abadi of urban villages & town.

DESCRIPTION OF LAND USES

RESIDENTIAL: To accommodate projected population of 6,40,000 persons, an additional area of 1719.00 hectares has been proposed for the development of residential sectors. It is relevant to mention here that sector-17 & 25 have been proposed adjoining the industrial sectors for providing housing to industrial workers. Further two pockets i.e.
one of 50 hectares in sector-25 and one of 16 hectares in sector-31 are reserved for low and medium income group with higher population density of 1125 persons per hectare (PPH). The proposed average residential density is 300 persons per hectare. The residential areas proposed in the Development Plan shall be developed on neighbourhood concept by making provision of all the community facilities and services within the sectors. The following proposals are made to absorb the impact of increased residential density:-

a) The additional area for infrastructure shall be provided in the already planned / developed residential sectors to meet out the requirement of the additional population.
b) The minimum width of the roads in a residential colony/ sector shall not be less than 12 meters.
c) The minimum area for parks / open spaces in a residential colony / sector shall be planned in such a manner that it shall meet the minimum norm of 2.5 square meters per persons.
d) A strip of 120.0 m width approximately has been provided around the village abadies falling within the urbanizable limit of the town for the purposes of village amenities which shall be acquired by developing agency i.e. HUDA / HSIIDC for providing amenities to the villages.

COMMERCIAL: The main commercial business is being done in the narrow streets/bazars of the existing town. The potential area for the commercial activity is along eastern peripheral road. Accordingly, total area of 255.00 hectares has been proposed for commercial use mainly along this peripheral road. A commercial pocket existing in industrial sector 15 was planned by Haryana Urban Development Authority to cater to the commercial need of the industrial sectors. A commercial pocket of approximately 37 hectare for Mandi (vegetable, fruits, grains etc) and also for heavy building material is proposed in sector-27 along eastern bye pass.

INDUSTRIAL: The industrial area Rozka Meo and Textile Valley (sectors-15) developed by Haryana Urban Development Authority covering an area of approximately 89 Hectares is falling on Sohna-Nuh Road. The demand of industrial developed plots / land in this area is increasing day by day due to KMP Expressway and Dedicated Freight Corridor. In order to cope up with this demand and future demand total area of approximately 1236.00 hectares has been proposed for industrial use on southern side of the town along KMP Expressway. The land located in these sectors is mainly waste land, not being used for agricultural purpose. HSIIDC has already acquired 1500 acres land along KMP Expressway for developing IMT. This land is low- lying as per report of Irrigation Department Haryana as well as HSIIDC and is flood prone. Hence, HSIIDC needs to take special measures while developing this low- lying area for urbanization including the area demanded by it for future expansion.

TRANSPORT AND COMMUNICATION: An area of approx. 627 hectare has been proposed for Transport & Communication Zone. An area measuring 99 hectares in sector- 27 has been proposed for Transport Nagar along Dedicated Freight Corridor (DFC). The eastern & western peripheral roads of 75 m width has been proposed with 100 m wide green belt on outer side and 50 m green belt on inner side. A minimum width of 60 meters has been proposed for sector dividing roads. The width of Gurgaon-Sohna-Alwar road, Rewari- Sohna-Palwal (NH-71) road and Sohna-Ballabgarh Road has been proposed to be widened to 60 m with 50 m wide green belt on either sides. An area of approximately 12 hectares has been proposed in Sector-3 for new bus stand. The classification of roads and land reservation has been given in following table:-

<table>
<thead>
<tr>

</tr>
</tbody>
</table>

The width and alignment of other roads shall be as per sector plans or as per approved layout plans of colonies. In addition to above the HSIIDC shall reserve an area measuring 4.0 hectares in each industrial sector to be developed for transport and communication purpose.
PUBLIC UTILITIES: An area of about 241.00 hectares has been earmarked for public utilities to meet out future need of the town. Considering ground conditions, provisions have been made for water works sites, grid sub-station sites, solid waste site (near village Haryahera) & sewage treatment plant site (near village Kherki Kankar). High Tension lines up to 66 KV in the urbanizable area shall be laid under ground.

PUBLIC AND SEMI PUBLIC: In order to cater the future demand, an area of approximately 573.00 hectare has been proposed for public and semi public uses. Sector- 3 is proposed as full-fledged sector for public and semi public; uses. Besides, small pockets have also been proposed along peripheral as well as along southern side of KMP for proper spatial distribution. Provision of a college each in sectors 1, 2, 3, 14 & 17 has been made. A Medical College with Hospital over an area of 14 hectares in sector-3, a 100 bedded hospital over an area of 4 hectares in sector-1 and a 50 bedded hospital over an area of 2 hectares in sector 17 have been provided. In sector-1, provision of a fire station has been made. A college, a fire station and an auditorium have been proposed in public and semi public belt along eastern peripheral road opposite sector-7.

OPEN SPACES: With the development of a beautiful tourist recreational complex at Sohna, it has started attracting tourists and people from the surrounding regions for picnic and funfair. With its scenic beauty all around, Sohna has a potential to be developed as a regional recreational center also. An area approximately 315.00 hectares has been proposed for parks etc. A 100 meter wide green belt on outer side and 50 m wide green belt on inner side of peripheral road, 50 m wide green belt on both sides of Taoru-Sohan-Palwal (NH-71) road, Gurgaon-Sohna-Alwar Road and Sohan-Ballabgarh Road, a 30 m wide green belt on both sides of Dedicate Freight Corridor (DFC ) and Nuh sub-branch passing through urbanization have been proposed. The total area under these green belts is approximately 484.00 hectares. An area approximately 235.00 hectares has been proposed for Sports Complex in sector-23 along KMP Expressway. Total area proposed under Sports Complex / Open Spaces / Parks / Green Belts is about 1034 hectares.

An area measuring approximately 340 hectares has been reserved as “Water Recharge Zone” to check the run-off that will replenish the depleting underground water table. No permission for any type of construction will be granted in this area. In order to keep this area free from unauthorized constructions, the possibility of acquiring the land under water recharge zone shall be explored by HUDA/ Irrigation Department.

An area measuring 4.0 hectares has been proposed for the burial ground on the north-west side of the town near village Haryahera along revenue rasta leading to village Raisina from Gurgaon Sohna Road.

AGRICULTURE ZONE: A sizeable area has been reserved as agricultural zone. This zone will, however, not eliminate the essential building development within this area such as the extension of existing village contiguous to abadi-deh if undertaken under project approved or sponsored by Government for other ancillary and allied facilities necessary for maintenance and improvement of an agricultural area.

The provision of Gaushala/ Cattle Pound over an area appx. 5.0 hectares has been made on Sohna Palwal road near village Sancholi.

ZONING REGULATIONS:

The legal sanctity to the proposals regarding land use is being given effect by a set of zoning regulations (Annexure B) which form part of this development plan. These regulations will govern the change of land use and standards of development. They will also elaborately detail out allied and ancillary uses which will be permitted in the various major land uses and stipulate that all change of land use and development shall be in accordance with the details shown in the sector plan thereby ensuring preparation of detailed sector plans for each sector to guide the development and enforce proper control. The Development plan falls in the Gurgaon as well as in Mewat District. The part of the Gurgaon District is proposed under High Potential Zone while the area within Mewat district will be Low Potential Zone. Hence, the zoning regulations are being proposed for High Potential Zone unless specified for Low Potential Zone.

Annexure B

Zoning Regulations:

Governing use and development of land in the controlled areas around Sohna as shown in drawing no. DTP(G)2025/2011, dated the 21st July, 2011.

I. General:

1. These Zoning regulations, forming part of the development plan for the controlled areas around Sohna shall be called zoning regulations of draft development plan for Controlled Areas Sohna.

2. The requirement of these regulations shall extend to the whole of the area covered by the draft development plan and shall be in addition to the requirements of the Punjab Scheduled Roads and
Controlled Areas Restriction of Unregulated Development Act, 1963 (41 of 1963) and the rules framed there under.

II. Definitions:

In these regulations:-
(a) ‘approved’ means approved under the rules;
(b) ‘building rules’ means the rules contained in Part-VII of the rules;
(c) ‘Drawing’ means drawing no. DTP (G) 2025 / 2011, dated the 21st July, 2011.
(d) ‘Floor Area Ration’ (FAR) means the ratio expressed in percentage between the total floor area of a building on all floors and the total area of the site;
(e) ‘Group Housing’ shall be the buildings designated in the form of flatted development for residential purpose or any ancillary of appurtenant building including community facilities, public amenities and public utility as may be prescribed and approved by the Director, Town and Country Planning, Haryana;
(f) ‘Light Industry’ means an industry not likely to cause injurious or obnoxious noise, smoke, gas, fumes, odours, dust, effluent and any other nuisance to an excessive degree and motivated by electric power;
(g) ‘Local Service Industry’ means an industry, the manufacture and product of which is generally consumed within the local area, for example: bakeries, ice-cream manufacturing, aerated water, Atta Chakies with power, laundry, dry-cleaning and dyeing, repair and service of automobile, scooters and cycles, repair of house-hold utensils, shoe-making and repairing, fuel depot etc. provided no solid fuel is used by them
(h) ‘Medium Industry’ means all industries other than ‘Light Industry’ and Local Service Industry and not emitting obnoxious or injurious fumes and odors;
(i) ‘Extensive Industry’ means an industry setup with the permission of the Government and in extensive employing more than 100 workers and may use any kind of captive power of fuel provided they do not have any obnoxious features;
(j) ‘Heavy Industry’ means an industry to be set up in public or semi-public or private sector with the permission of the Government (the cost of plant, machinery etc. as defined in the industrial policy of the Government);
(k) ‘Obnoxious or hazardous industry’ means an industry set up with the permission of the Government and is highly capital intensive associated with such features as excessive smoke, noise, vibration, stench unpleasant or injurious effluent, explosive, inflammable material etc. and other hazards to the health and safety of the community.

(l) 'Material Date' means the date of publication of notification of various controlled area declared as under:

(m) “Non-conforming use” in respect of any land or building in a controlled area means the existing use of such land or building which is contrary to the major land use specified for that part of the area in the development plan.

(n) “Public Utility Service Building” means any building required for running of public utility services such as water-supply, drainage, electricity, post and telegraph and transport and for any municipal services including a fire station.

(o) “Rules” means the Punjab Scheduled Roads and Controlled Areas Restriction of Unregulated Development Rules, 1965;

(p) “Sector Density” and “Colony Density” shall mean the number of persons per hectare in sector area or colony area, as the case may be;

(q) “Sector Area” and “Colony Area” means the area of sector or of colony as shown on the drawing;

Explanation:

(1) In this definition the “Sector Area” or “Colony Area” shall mean the area of the Sector or of Colony as shown on the drawing on the approved layout plan of the Colony/sector which will be excluding the area unfit for building development within the sector or the colony as the case may be.

(2) Benefit of 50% of the area falling under major roads and their adjoining green belts, if any, shall be allowed for plotable area/floor area ratio (FAR) in case of plotted/group housing colony.

(3) In the layout plan of colony or sector, other than industrial colony/sector, the land reserved for roads, open space, schools, public and community building and other common uses shall not be less than 45 percent of the gross area of the land under the colony/sector.

(4) For the purpose of calculation of sector density or colony density, it shall be assumed that 55 percent of the sector area or colony area will be available for residential plots including the area under Group Housing and that every building plot shall on the average contain three dwelling units each with a population of 4.5 persons per dwelling unit or 13.5 persons per building plot or as incorporated in the zoning plan of the colony/group housing complex. In the case of shop-cum-residential plot, however, only one dwelling unit shall be assumed.

(r) “Site Coverage” means ratio expressed in percentage between the area covered by the ground floor of building and the area of the site;

(s) The terms “Act”, “Colony”, “Coloniser”, “Development Plan”, “Sector” and “Sector Plan” shall have the same meaning as assigned to them in the Punjab Scheduled Roads and Controlled Areas Restriction of Unregulated Development Act, 1963 (Punjab Act 41 of 1963) and Rules, 1965;

(t) “Farm House” shall mean a house constructed by the owner of a Farm at his land for the purpose of:-

(i) Dwelling unit i.e. main use

(ii) Farm shed i.e. Ancillary use.

Notes:-

(1) The construction of the farm house shall be governed by the restrictions given under clause XIX regarding “Provision of Farm House outside abadi-deh in Agricultural Zone”;

(2) The farm sheds regarding building control and site specifications shall be governed by the restrictions mentioned in clause XIX;

(u) “Ledge or Tand” means a shelf-like projection, supported in any manner whatsoever, except by means of vertical supports within a room itself but not having projection wider than one metres;

(v) “Loft” means an intermediary floor on a residual space in a pitched roof; above normal floor level with a maximum height of 1.5 metres and which is constructed or adopted for storage purposes;

(w) “Mezzanine Floor” means and intermediate floor above ground level with area of mezzanine restricted to 1/3rd of the area of that floor and with a minimum height of 2.2 metres;

(x) “Subservient to Agriculture” shall mean development and activities, which are required to assist in carrying out the process of agriculture such as tubewells, pump chambers, wind mills, irrigation’s drains, pucca platforms, fencing and boundary walls, water hydrants etc.;

(y) “Rural Industries Schemes” means industrial unit, which is registered as rural industries schemes by the Industries Department.

(z) “Small Scale Industries” means industrial unit, which is registered as small scale industries by the Industries Department;
(za) “Agro based industries” means an industrial unit, which uses food grains, fruits or agro waste as a raw material;

(zb) “Information Technology Industrial Units” means the categories of industries included in the Annexure to the Government of Haryana Information Technology Policy, 2000 and in Appendix-1 to this notification and/or, as may be defined by the Government of Haryana from time to time;

(zc) “Cyber Park”/“Information Technology Park” means an area developed exclusively for locating software development activities and Information Technology Enabled Services wherein no manufacturing of any kind (including assembling activities) shall be permitted;

(zd) “Cyber City” means self contained intelligent city with high quality of infrastructure, attractive surrounding and high speed communication access to be developed for nucleating the Information Technology concept and germination of medium and large software companies/Information Technology Enabled Services wherein no manufacturing units may be allowed;

(ze) “Green Belt” shall mean, strips of land along sector/arterial road shown in the development plan, primarily meant for the widening of the sector/arterial road in future; and

(zf) any other terms shall have the same meaning as assigned to it in the Punjab Scheduled Roads and Controlled Areas Restriction of Unregulated Development Act, 1963 (Punjab Act 41 of 1963).

III. **Major land uses/zone:**

(i) Residential zone

(ii) Commercial zone

(iii) Industrial zone

(iv) Transport and communication zone

(v) Public Utility Zone

(vi) Public and semi public zone

(vii) Open spaces zone

(viii) Agriculture zone

(2) Classification of major land uses is according to Appendix A.

IV **Division into sectors:** Major land uses mentioned at serial Nos. (i) to (vii) in zoning regulation-III above, which are land uses for building purposes, have been divided into sectors as shown on the drawing, each sector shall be designated by the number as indicated on the drawing.

V **Detailed land uses within major uses:** Main, ancillary and allied uses, which are subject to the other requirements of these regulations and of the rules, may be permitted in the respective major land uses zones are listed in Appendix B sub-joined to these zoning regulations.

VI **Sectors not ripe for development:** Notwithstanding the reservation of various sectors for respective land uses for building purposes, the Director may not permit any changes in their land use or allow construction of building thereon from consideration of compact and economical development of the controlled area till such time as availability of water supply, drainage arrangement and other facilities for these sectors are ensured to his satisfaction.

VII **Sectors to be developed exclusively through Government enterprises:**

(1) For the development of sectors reserved for commercial use, private developers shall be permitted to develop to the extent of 10% of the sector area as per the layout plan approved by competent authority, after obtaining license under Act No. 8 of 1975. Balance 90% area shall be developed exclusively by the Government or a Government undertaking or by a public authority approved by the Government.

(2) Notwithstanding the provision of clause (1) above, the Government may reserve at any time, any other sector for development exclusively by it or by its agencies indicated above.

VIII **Land reservations for major roads:**

(1) Land reservation for major roads marked in the Drawing shall be as under:

</table>

(2) Width and alignment of other roads shall be as per sector plans or as per approved layout plans of colonies.

(3) Benefit of only 50% of the area falling under major roads and adjoining green belts, if any, shall be allowed towards plottable area/floor area ratio (FAR) in the plotted/group housing colony; while approving the layout plans for the sector/colony to be developed by Haryana Urban Development Authority and private colonizers. In case of commercial colony and Information Technology Park/Cyber City the benefit of 10% of floor area ratio of the total area of the site or area falling under green belt and sector roads whichever is less shall be allowed.

IX Non-conforming uses either existing or having valid change of land use permission

(1) With regard to the existing projects located in the zones other than conforming-use zone in the Development Plan, such non-conforming uses shall be allowed to continue for a fixed period to be determined by the Director, but not exceeding ten years; provided that the owner of the building concerned:
   (a) undertakes to pay to the Director, as determined by him the proportionate charges towards the external development of the site as and when called upon by the Director to do so in this behalf;
   (b) during the interim period makes satisfactory arrangements for the discharge of effluent to the satisfaction of the Director; and
   (c) shall not be allowed to expand the existing project within the area of non conforming use.

(2) With regard to the projects having valid change of land use permissions, and located in the zones other than conforming-use zone in the Development Plan, such non-conforming uses shall be allowed to continue, provided that the owner of the building concerned:
   (a) undertakes to pay to the Director, as determined by him the proportionate charges towards the external development of the site as and when called upon by the Director to do so in this behalf; and,
   (b) during the interim period makes satisfactory arrangements for the discharge of effluent to the satisfaction of the Director.

X Discontinuance of non conforming uses:

(1) If a non-conforming use of land has remained discontinued continuously for a period of two years or more, it shall be deemed to have been terminated and the land shall be allowed to be re-used or re-developed only according to the conforming use.

(2) If a non-conforming use building is damaged to the extent of 50 percent or more of its reproduction value by fire, flood, explosion, earthquake, war, riot or any other natural calamity, it shall be allowed to be re-developed only for a conforming use.

(3) After the discontinuance of projects included under clause IX, the land shall be allowed to be redeveloped or used only for conforming use.

(4) After a lapse of period fixed under clause IX (1), the land shall be allowed to be redeveloped or used only for conforming use.

XI The development to conform to sector plan and zoning plan: Except as provided in regulation IX, no land within major land use shall be allowed to be used and developed for building purposes unless the proposed use and development is according to the details indicated in the sector plan and zoning plan or the approved colony plan in which the land is situated.
XII Individual site to form part of approved layout or zoning plan: No permission for erection or re-erection of building on a plot shall be given unless-
(i) the plot forms a part of an approved colony or the plot is in such area for which relaxation has been granted as provided in regulation XVII; and
(ii) the plot is accessible through a road laid out and constructed upto the situation of the plot to the satisfaction of the Director.

XIII Minimum size of plots for various types of buildings:
(1) The minimum size of the plots for various types of uses shall be as below:-

<table>
<thead>
<tr>
<th>Serial number</th>
<th>Type of use</th>
<th>Maximum ground floor coverage</th>
<th>Maximum floor area ratio</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>Group housing</td>
<td>35%</td>
<td>175</td>
</tr>
<tr>
<td>2</td>
<td>Government offices</td>
<td>25%</td>
<td>150</td>
</tr>
<tr>
<td>3</td>
<td>Commercial</td>
<td>In accordance with the terms and conditions specified in the zoning plan of sites approved by the competent authority.</td>
<td></td>
</tr>
<tr>
<td>4</td>
<td>Warehousing</td>
<td>60%</td>
<td>75</td>
</tr>
</tbody>
</table>

Note: Basement floor shall be permitted as approved in the zoning plan.

XIV Site coverage, height and bulk of building under various types of buildings: Site coverage and the height upto which building may be erected within independent residential and industrial plots, shall be according to the provisions contained in Chapter VII of the rules. In the case of other categories, the maximum coverage and the floor area ratio, subject to architectural control, as may be imposed under regulation XVI shall be as under:

XV Building lines in front and rear of buildings: These shall be provided in accordance with rules 51, 52 and 53 of the Punjab Scheduled Roads and Controlled Areas Restriction of Unregulated Development Rules, 1965.

XVI Architectural control: Every building shall conform to architectural control prepared under rule 50 of the Punjab Scheduled Roads and Controlled Areas Restriction of Unregulated Development Rules, 1965.

XVII Relaxation of agricultural zone: In the case of any land lying in Agriculture zone, Government may relax the provisions of this development plan-
(a) for use and development of the land into a residential or industrial colony provided the coloniser has purchased the land for the said use and developed prior to the material date and the coloniser secures permission for this purpose as per Rules.
(b) for use of land as an individual site (as distinct from an industrial colony)
Provided that-
(i) the land was purchased prior to the material date;
(ii) the Government is satisfied that the need of the industry is such that it cannot await alternative allotment in the proper zone;
(iii) the owner of the land secures permission for building as required under the Rules;
(iv) the owner of the land undertakes to pay to the Director, as determined by him, the proportionate charges as and when called upon by the Director in this behalf and during the interim period makes satisfactory arrangement for discharge of effluent.

Explanation The word 'purchase' in the regulation shall mean acquisition of full proprietary rights and no lesser title, such as agreement to purchase etc.

XVIII Density: Every residential sector shall be developed to the sector density indicated as prescribed for it in the drawing subject to a maximum of 20 percent variation allowed on either side of the prescribed sector density.

XIX Provision of farm house outside abadi-deh in agricultural zone: A farm house in agricultural zone, outside abadi-deh may be allowed if the area of the land is 2 acres or more on the following conditions:

<table>
<thead>
<tr>
<th>Size of farm house</th>
<th>Main building of the dwelling unit.</th>
<th>Ancillary building of main dwelling unit.</th>
</tr>
</thead>
<tbody>
<tr>
<td>(i) Site Coverage</td>
<td></td>
<td></td>
</tr>
<tr>
<td>0.8094 Hectare</td>
<td>As applicable to residential plot equivalent to 380 square metres</td>
<td>1 percent of the farm land (not more than 40 percent shall be used for labour/servant quarters)</td>
</tr>
<tr>
<td>(2 Acres minimum)</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Upto 1.214 Hectare</td>
<td>As applicable to residential plot equivalent to 570 square metres</td>
<td>-do-</td>
</tr>
<tr>
<td>(3 Acres)</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Upto 1.6188 Hectare</td>
<td>As applicable to residential plot equivalent to 760 square metres</td>
<td>-do-</td>
</tr>
<tr>
<td>(4 acres) and above.</td>
<td></td>
<td></td>
</tr>
<tr>
<td>(ii) Height and Storey</td>
<td>11 Meters., three storeyed</td>
<td>4 Meters, single storey.</td>
</tr>
</tbody>
</table>

(iii) Set back: It shall be at least 15 metres away from the edge of the agricultural land on all sides provided that if land attached to the farm house abuts a road, the house shall be constructed with a minimum set back from the edge of the road as under:-

(a) Where the road is bye-pass to a scheduled road or an expressway : 100 metres
(b) Where the road is a scheduled road : 30 metres or as shown in the development plan
(c) Any other road : 15 metres

(iv) Approach road Any revenue rasta/road defined in the revenue record.

(v) Basement Basement shall be permitted to the maximum extent of ground floor coverage but in the basement water closet and bathroom shall not be permitted.

(vi) Ledge, loft and mezzanine floor Ledge, loft and mezzanine floor shall be permitted within the building subject to the restrictions above as well as the restrictions stipulated in the definition given under sub-clause (u), (v) and (w) of clause-II.

(vii) Services, water supply and drainage
(a) Good potable water supply should be available in the farm for human consumption in case farm house is built.
(b) Open Sanitary drains or covered drains to be provided to clean the sheds in case of Dairy farms, Drains are to be provided for carrying rain water in case of all buildings.
(c) Septic tank to be provided for disposal of human and animals waste as per provisions of the Rules.
(d) The distance between the septic tank and open well or tubewell shall be as provided in the Rules. Provided that Government may amend the minimum size of the farm for any scheme sponsored by the State Government/State agency for the proper utilisation of the agricultural zone.

XX Relaxation of development plan: Government may in case of hardship or with a view to save any structure constructed before the material date, relax any of the provisions of the Development Plan on principles of equity and justice on payment of such development charges and on such other conditions as it may deem fit to impose.

XXI Provisions of information technology units and cyber parks.cyber cities
(i) Location:
   (a) Information technology industrial units will be located in industrial areas/industrial zones only;
   (b) Cyber parks/ information technology parks will be located either in industrial areas or industrial zones abutting on minimum 60 metres road of width (ROW) sector roads in the form of integrated development. However, no manufacturing units will be permitted in such parks;
   (c) Cyber cities:- The location of such a facility will be decided by the Government;

(ii) Size:

<table>
<thead>
<tr>
<th>Serial number</th>
<th>Type</th>

<td>Cyber park / information technology park</td>
<td>5 to 15 acres</td>
</tr>
<tr>
<td>3</td>
<td>Cyber city</td>
<td>minimum 50 Acres</td>
</tr>
</tbody>
</table>

(iii) Miscellaneous:
I Parking:
   (a) One equivalent car space for every 40 square metres of floor area shall be provided for parking in cyber park/Information Technology Park, Information Technology industrial unit and cyber city;
   (b) Four tier basement for information technology industry for meeting the requirement of parking shall be allowed subject to clearance from public health requirement.

II Other activities:
   (a) Incidental commercial activities like banks, restaurants, insurance offices etc. shall be permitted subject to restriction of 4% of the total area of the cyber park/information technology park;
   (b) Only 5% of the area of the cyber city shall be allowed for group housing and 4% of the total area of the cyber city shall be permitted for commercial/institutional uses;
   (c) No residential plotted development shall be allowed in a cyber city;
   (d) For a cyber city project if allowed in agricultural zone, the entrepreneur shall make the arrangement of water supply and other facilities like sewerage disposal/drainage etc;

III The Government may impose any other condition as deemed necessary from time to time.

XXII Setting up of communication towers: Permission of Mobile Towers within the Controlled area shall be granted as per the policy dated 13th January 2012 as amended from time to time;

Appendix B

I Residential zone

(i) Residence
(ii) Social community religious and recreational buildings
(iii) Public utility building.
(iv) Educational buildings and all types of school and college where necessary.
(v) Health institutions.
(vi) Cinemas
(vii) Commercial and professional offices.
(viii) Retail shops and restaurants.
(ix) Local service industries.
(x) Petrol filling stations.
(xi) Bus stops, tonga, taxi, scooter and rickshaw stand.
(xii) Nurseries and green houses.
(xiii) Any other minor needs to ancillary to residential use
(xiv) Starred hotels
(xv) Club/Community Centres
(xvi) Communication Towers
(xvii) Any other use, which the Government may in public interest decide

II Commercial zone

(i) Retail Trade.
(ii) Wholesale Trade.
(iii) Warehouses and storages.
(iv) Commercial offices and banks.
(v) Restaurant and Transient Boarding Houses including public assistance institutions providing residential accommodation like Dharamshala, Tourist House etc.
(vi) Cinemas, Hotels, Motels and other places of public assembly like theatres, club, Dramatic Club, etc. run on commercial basis.
(vii) Professional establishments.
(viii) Residences on the first and higher floors.
(ix) Local service industry.
(x) Public utility buildings.
(xi) Petrol filling stations and service garages.
(xii) Loading and unloading yards.
(xiii) Parking spaces, bus stops, taxis, tonga and rickshaw stand.
(xiv) Town parks.
(xv) Communication Towers
(xvi) Any other use which the Government may in public interest decide

III Industrial zone

(i) Light industry
(ii) Medium industry
(iii) Obnoxious and Hazardous Industry
(iv) Heavy industry
(v) Service industry
(vi) Warehouse and storages
(vii) Parking, loading and unloading area
(viii) Truck stand/bus stops, taxi, tonga and rickshaw stand
(ix) Public utility, community buildings, retail shops, banks, dhabas, restaurants, two/three/five star hotels and insurance offices subject to a maximum limit of 3 percent of the total area of the sector as under: -

As required for the local need of major use and needs of the town at site approved by the Director in the sector/colony plan.

As required for the local need of major use at site earmarked for them in the sector plan or in the approved layout plan of the colonies.

At sites earmarked for them in the sector plan or in the approved layout plan of the colonies.
Petrol filling stations and service garages.

Liquid Petroleum Gas godowns permitted by the Director.

Cyber Parks/Information Technology Parks/Information Technology Industrial Units

Health Facilities like Hospital, Dispensary, Nursing Home, Clinic as under:

### Sr. No. | Name of Facility | Minimum Area | Maximum Area | No. of facilities in a sector | Commercial component | Maximum Ground Coverage | Floor Area Ratio | Approach Road
---|---|---|---|---|---|---|---|---
1 | Dhabas | 500 sq m | 1000 sq m | 2 | 50 sqm | 50 % | 50 % | Minimum 18 meters
2 | Restaurants | 1000 sq m | 2000 sq m | 2 | 10 % | 30 % | 150 % | Minimum 18 meters
3 | Two/ Three Star Hotels | 1.0 Acre | 2.5 Acres | 2 | 15 % | 30 % | As per commercial policy | Minimum 24 meters
4 | Five Star Hotels | 2.5 Acres | 4.0 Acres | 1 | 15 % (commercial) | 30 % | As per commercial policy | Sector Dividing Road with the provision of a service road

### Sr. No. | Name of Facility | Minimum Area | Maximum Area | No. of facilities in a sector | Residential component | Maximum ground coverage | Floor area ratio
---|---|---|---|---|---|---|---
1 | Hospital | 2.5 Acres | 5.0 Acres | 1 | 15 % | 33 % | 100 %
2 | Dispensary | 1.0 Acre | 1.5 Acres | 1 | 15 % | 33 % | 100 %
3 | Nursing Home | 250 sq. m | 500 sq. m | 2 | Nil | 60 % | 100 %
4 | Clinic | 250 sq. m | 500 sq. m | 2 | Nil | 60 % | 100 %

### Sr. No. | Land use | Percentage of total area of the colony
---|---|---
1 | Industrial | 51 | 65
2 | Residential | 10 |
3 | Commercial | 4 |
4 | Public Buildings and Utilities | 10 | 55
5 | Roads / Open Spaces | 25 |
Total | 100 |

Communication Towers

Ready mix concrete plant, wet mix plants, hot mix plants

Any other use permitted by the Director.

**IV Transport and communication zone**

(i) Railway yards, railway station and siding
(ii) Transport Nagar, Roads and Transport depots and parking areas
(iii) Airports and Air Stations
(iv) Telegraph offices and Telephone exchange
(v) Broadcasting stations
(vi) Televisions station
(vii) Agricultural, horticulture and nurseries at approved sites and places
(viii) Petrol filling stations and service garages
(ix) Parking spaces, bus stop-shelters, taxi, Tonga and rickshaw stands

**At sites earmarked for them in the sector plan or in the approved layout plan of the Colonies**

**V Public utilities**

(i) Water supply installations including treatment plants.
(ii) Drainage and Sanitary installations, Disposal works.
(iii) Electric Power plant and sub-station including grid sub-station.
(iv) Gas installations and Gas works.

**At sites earmarked in the sector plan**

**VI Public and semi public uses zone**

(i) Government offices, Government Administration centres, secretariats and police station
(ii) Educational, cultural and religious institutions
(iii) Medical health institutions

**At sites earmarked in the sector plan**
(iv) Civic/cultural and social institutions like theatres, opera houses etc. of predominantly noncommercial nature
(v) Land belonging to Defence
(vi) Dhabas, Restaurants as under:

(vii) Communication Towers
(viii) Any other use which Government in public interest may decide

VII Open spaces
(i) Sports ground, stadium and play grounds
(ii) Parks and green belts
(iii) Cemeteries crematories etc.
(iv) Motor fuel filling stations, bus queue shelter along roads with the permission of Director
(v) Public utility services like electric grid station, transmission lines, communication lines, water supply lines, sewage lines, drainage lines in the green belts along the scheduled roads and major roads.
(vi) Water bodies/lakes,
(vii) Communication Towers
(viii) Any other recreational use with the permission of Director.

VIII Uses strictly prohibited:
Storages of petroleum and other inflammable material without proper license.

VIII Agriculture zone
(i) Agricultural, Horticultural, dairy and poultry farming.
(ii) Village houses within Abadi-deh
(iii) Farm houses outside abadi-deh subject to restriction as laid down in zoning regulation XIX
(iv) Afforestation development of any of the part for recreation
(v) Expansion of existing village contiguous to abadi-deh if undertaken a project approved or sponsored by the Central Government, or State Government
(vi) Milk chilling station and pasteurisation plant
(vii) Bus Stand and railway station
(viii) Air ports with necessary buildings
(ix) Wireless stations
(x) Grain godowns, storage space at sites approved by the Director
(xi) Weather stations
(xii) Land drainage and irrigation, hydroelectric works and tubewell for irrigation
(xiii) Telephone and electric transmission lines and poles
(xiv) Mining and extraction operations including lime and brick kilns, stones, quarries and crushing subject to the rules and at approved site
(xv) Cremation and burial grounds
(xvi) Petrol filling station and service garages
(xvii) Hydro electric/thermal power plant sub-station
(xviii) Liquid Petroleum Gas storage godowns with the approval of the Director
(xix) (A) Non-polluting industries registered as Rural Industry Scheme/Small Scale Industrial units subject to one of the following conditions:
   (i) Upto two acres in the Agriculture Zone of the Controlled Areas of High/Hyper potential zones falling in industrially backward blocks on public roads/rastas (other than scheduled road and National Highway) of minimum 12 metres width after leaving at least 20 metres wide strip of green belt along the road to be used for its development in future.
   (ii) for use of non/less polluting medium and large scale units in Agriculture Zone of Controlled Areas of High/Hyper potential zones falling in

At sites approved by Director, Town and Country Planning, Haryana

As approved by Director, Town and Country Planning Department, Haryana
industrially backward blocks mentioned in industrial policy on roads of minimum 24 metres width (including scheduled road) after leaving at least 30 metres wide green belt along the road to be used for its development in future.

(iii) In Low Potential Zone, located within half kilometer belt encircling the existing village Abadi-deh and approachable from public road/rasta other than scheduled road, National Highway and State Highway

(iv) In Low Potential Zone, on Public road/rasta not less than 30 feet wide (other than scheduled roads, National Highway and State Highway) outside the half kilometer zone referred to in (iii) above upto a depth of 100 meters along the approach road.

(B) In Low Potential Zone, non-polluting medium and large scale agro based industries on public roads/revenue rasta not less than 30 feet wide other than scheduled roads, National Highway and State Highway.

(C) the site should not fall within restricted belt notified under "the Works of Defence Act, 1903' around Defence installations, if any.”

(xx) Dhabas, Small Restaurants, Motels, Hotels, Resort and Amusement Park/ Theme Park along National Highway / Scheduled Roads in the area outside restricted/ green belt as under:

(xxiii) Microwave Towers/Stations, Seismic Centers and Telecommunication Centers

(xxiv) Ready Mix Concrete Plants, Wet mix plants, Hot Mix Plants connected with the projects for which contract or work is assigned by Government or Government agency and to be set up on terms basis.

(xxv) Communication Towers

Any other use, which Government may in Public Interest, decide
APPENDIX -1

Categories of Industries included in the scope / definition of Information Technology Industry

(A) Computing Devices including
  Desktop
  Personal Computer
  Servers
  Work-station
  Nodes
  Terminals
  Network P.C
  Home P.C.
  Lap-top Computers
  Note Book Computers
  Palm top Computer/PDA

(B) Network Controller Card/ Memories including
  Network Interface Card (NIC)
  Adaptor Ethernet /PCI/EISA/Combo/PCMICA
  SIMMs Memory
  DIMMs Memory
  Central Processing Unit (CPU)
  Controller SCSI/Array
  Processors Processor/Processor Power Module/Upgrade

(C) Storage Units including
  Hard Disk Drives/Hard Drives
  RAID Devices and their Controllers
  Floppy Disk Drives
  C.D. ROM Drives
  Tape Drives DLT Drives/DAT
  Optical Disk Drives
  Other Digital Storage Devices

(D) Other
  Key Board
  Monitor
  Mouse
  Multi-media Kits

(E) Printers and Output Devices including
  Dot matrix
  Laserjet
  Inkjet
  Deskjet
  LED Printers
  Line Printers
  Plotters
  Pass-book Printers

(F) Networking products including
  Hubs
  Routers
  Switches
  Concentrators
  Trans-receivers

(G) Software including
  Application Software
Operating system
Middleware/Firmware

(H) **Power supplies to Computer Systems including**
Switch Mode Power Supplies
Uninterrupted Power supplies

(I) **Networking/Cabling and related accessories**
(related to IT Industry)
Fibre Cable
Copper Cable
Cables
Connectors, Terminal Blocks
Jack Panels, Patch Cord
Mounting Cord/Wiring Blocks
Surface Mount Boxes

(J) **Consumables including**
C.D.ROM /Compact Disk
Floppy Disk
Tapes DAT/DLT
Ribbons
Toners
Inkjet Cartridges
Inks for Output devices

(K) **Electronic Components**
Printed Circuit Board/Populated PCB
Printed Circuit Board/PCB
Transistors
Integrated Circuits/ICs
Diodes/Thyristor/LED
Resistors
Capacitors
Switches(On/Off, Push button, Rocker, etc.)
Plugs/sockets/relays
Magnetic heads, Print heads
Connectors
Microphones/Speakers
Fuses

(L) **Telecommunication Equipment including:**
Telephones
Videophones
Fascimile machines/Fax cards
Tele-Printers/Telex machine
PABX/EPABX/ RAX/MAX Telephone Exchange
Multiplexers/Muxes
Modems
Telephone answering machines
Telecommunication Switching Apparatus
Antena and Mast
Wireless datacom equipment
Receiving equipments like Pagers, mobile/Cellular Phones, etc.

**VSATs**
Video Conferencing Equipments
* Including Set Top Boxes for both Video and Digital Signaling.
IT Enabled Services are business processes and services, the end products/services of which are:

- Delivered outside India.
- Delivered over communication network, and
- Either externally contracted (out-sourced) or provided by a remote subsidiary of the same company (out-located).

Note:
Services which would not be included are:

- Remote production/manufacturing units
- The Corporate offices of companies or their local branches
- Virtual business on Internet.

The following services which meet the above criteria would be included:

(i) Back-Office Operations
(ii) Call Centres
(iii) Content Development or Animation
(iv) Data Processing
(v) Engineering and Design
(vi) Geographic Information System Services
(vii) Human Resource Services
(viii) Insurance Claim Processing
(ix) Legal Database
(x) Medical Transcription
(xi) Payroll
(xii) Remote Maintenance
(xiii) Revenue Accounting
(xiv) Supports Centres and
(xv) Web-site Services.

S.S. DHILLON,
Principal Secretary to Government, Haryana,
Town and Country Planning Department.
