Notification

No. CCP (NCR)/H.C.A-4/2000/677. In exercise of the powers conferred by sub-section (7) of section 5 of the Punjab Scheduled Roads and Controlled Areas Restriction of Unregulated Development Act, 1963 (Punjab Act 41 of 1963) and all other powers enabling him in this behalf, and with reference to Haryana Government, Town and Country Planning Department, notification No. CCP (NCR)/H.C.A-4/99/523, dated the 15th March, 1999, published in Haryana Government Gazette (Extra ordinary) dated the 15th March, 1999, the Governor of Haryana after considering the objections, suggestions and representations received alongwith the recommendation of...
Director, Town and Country Planning Department Haryana, hereby publishes the final development plan signifying the nature of restrictions and conditions as given in Annexures A and B proposed to be made applicable to the controlled area covered by the said notification.

**Drawings -**

(i) Existing land use Plan Drawing No. DTP(H) 1809/87, dated the 2nd March, 1987
(ii) Final Development Plan Drawing No. DTP(H) 3193/99, dated the 17th June, 1999.

**ANNEXURE A**

**EXPLANATORY NOTE ON THE FINAL DEVELOPMENT PLAN FOR THE CONTROLLED AREA, MAYYAR**

**Introduction**

Village Mayyar is located about 15 kilometres away from Hisar right on the D.H.S Road leading from Hisar to Delhi. It is a small village of nearly 4000 population developed on both sides of the National Highway No. 10. The village has almost all the facilities and amenities ought to be required for such size of settlement.

**Need to Declare Controlled Area**

The village is located almost in between the controlled area, Hisar and controlled area, Hansi.

The National Highway No. 10 remained uncontrolled for the last many years in and around the village. As a result of this gap in between this controlled area, unauthorised constructions have started coming up in the form of industrial development. Keeping in view the growing unplanned growth along the D.H.S Road, controlled area was declared around the Middle School, Mayyar, and published in the Haryana Government Gazette dated the 30th December 1986 vide Haryana Government, Town and country Planning Department notification No. 1344-10 DP-86/18258, dated the 18th December, 1986. The main aim to declare the controlled area around Mayyar was to check and regulate the unauthorised and hazardous growth of urbanisation along D.H.S Road.

**Development Proposals**

The reason for the declaration of controlled area around the Middle School, Mayyar was different from that of the controlled area declared around other urban settlements. Keeping in view the vulnerability of the portion of D.H.S Road through this village whole of the controlled area has been earmarked as agricultural zone excluding the 30 metres green belt left on both sides of the highway.

The following table shows the details of areas earmarked under various land uses.
