

ORDER

It has been observed that meetings of Building Plans Approval Committee (BPAC) headed by District Town Planner/Senior town Planner/Chief Town Planner are not being held at regular intervals. Therefore, to make it methodical, while the meetings of the Building Plans Approval Committees may be held atleast once in a month in case of Committee headed by CTP, Haryana, meetings may be held twice in a month at the level of concerned STP and DTP. The Committee should fix the date or day as per their convenience and notify the same. The agenda items of these meetings should be circulated in advance and if no building plans decision/approval in the meetings, same may be cancelled by citing these reasons.
