Memo No. C-912-2017/185-206

Dated:- 22/02/2017

Sub: Instructions regarding filing of reply in the Appeals preferred in the Hon'ble Tribunal constituted under Section-12(C) of the Punjab Scheduled Roads and Controlled Areas Restriction of Unregulated Development Act, 1963.

The powers of Director under Section-12 of the Punjab Scheduled Roads and Controlled Areas Restriction of Unregulated Development Act, 1963 stand delegated to the District Town Planners and District Town Planners (Enf) in the State in respect of the controlled areas within their respective jurisdiction. Wherever the provisions of the Act ibid are contravened, the District Town Planners are required to take action as per the provisions of Section-12 of the Act. Section-12C(3) provides that a person aggrieved by orders passed under Section 12(2) or 12(3) may file an appeal before the Tribunal constituted for the purpose. It has been observed that sometimes District Town Planners forward the reply to be filed in such cases to the Directorate for approval whereas the Directorate is not aware of the actions taken by the DTP. In the appeal, the Government or Director, Town & Country Planning might have also been impleaded as respondents. Since such appeals are filed by the aggrieved persons against the orders passed by District Town Planners exercising the powers of the Director, Town & Country Planning, therefore, it has been decided that in future, District Town Planners will prepare and file the replies in appeal cases at their own level. Only such replies may be forwarded to the Directorate where any policy decision is required at the level of Directorate.

The instructions may be complied with in letter and spirit.
