

Office Order

While issuing the LOIs to the licencees, a condition is imposed to submit certificate from District Revenue Authority stating that there is no further sale of the land applied for licence till date and the applicant companies are the owner of the land. It has been observed that sometimes these certificates submitted by the applicants are not issued by the District Revenue Authority but the Tehsildar. Hence all the officers/officials at the HQ are directed to ensure that only those certificates should be entertained which are issued by the DRO/Deputy Commissioner who are the District Revenue Authorities.

These instructions should be complied with strictly.
