Memo No. PF-37/2016/5/32/2009-2TCP

Dated: 10.11.2016

Subject: Amendment in the Relief Policy for recovery of External Development Charges (EDC) and interest dues as well as Infrastructure Development Charges (IDC) from existing colonizers in case of default in payment of scheduled installments and alternative measures for ensuring the EDC/IDC payments in future in case of new licences.

This is in continuation to memo No. PF-37/2016/7485 dated 12.04.2016 and addendum issued vide memo no. 5/32/2009-2TCP dated 21.07.2016 on the matter cited as subject above.

2. The EDC Relief Policy dated 12.04.2016 was issued with an objective to enable the colonizers to pay their outstanding EDC/IDC dues, wherein the option to mortgage the project land was introduced. The above said policy was made available to the existing licences for a period of six months from the date of issue. However, subsequent to receipt of representations from different organizations, the colonizers were given the option either to mortgage the project land or to submit bank guarantees as was in practice prior to issuance of above said policy. The addendum to this effect was issued on 21.07.2016.

3. In view of above, the validity period for availing the benefit of policy dated 12.04.2016 for the existing licences has been reconsidered by the Government. It has been decided to make the policy applicable to the existing licences for a period of six months from the date of issuance of addendum dated 21.07.2016. Accordingly, the existing licences who desire to avail the relief under EDC policy dated 12.04.2016 read with addendum dated 21.07.2016 for their existing projects, can apply upto 20.01.2017.
