

From

Principal Secretary to Government, Haryana
Town and Country Planning Department,
Haryana, Chandigarh.

To

The Director,
Town and Country Planning,
Haryana, Chandigarh.

Memo No. ST-2007-JE(MK)-2019/22013

Dated:10.09.2019

Subject: Adherence to terms and conditions prescribed by Education Department during approval of Building plans.

It has been observed by the Government that Education Department prescribes various area norms/conditions at the time of recognition of the school/educational institutions which primarily relate to the size of schools room, number of doors in each classroom, number of class rooms, area of library, area of laboratory, store area, kitchen-cum-store area, toilets, stair cases etc; however, the same is being monitored at the time of approval of building plans of the aforementioned educational institutes by Town & Country Planning Department.

Based on the consultation held with Education Department in this regard, it has been decided that a condition shall be imposed at the time of approval of building plans relating to educational institutions requiring adherence to such conditions of the Education Department:

“Notwithstanding the conditions imposed at the time of approval of building plans by the Town & Country Planning Department under Haryana Building Code, the project proponent shall continue to remain bound by additional terms and conditions, if any, imposed by the Education Department at the time of recognition for such Educational Institutions. The approval of Building plans by T&CP Department shall in no way absolve the project proponent of its responsibility to fulfil such additional requirements in the interest of the students as are indicated by the Education Department.”
